

Hebrews 10:15

- How does the Holy Ghost witness to us?
- What is He saying that has been said before?
- Why would He continually say the same things over and over?

Hebrews 10:16

- Why does the witness of the Holy Ghost relate the new covenant with the law being placed into the heart and written in the mind?
- What does the law produce within a person? (See Rom. 3:19.)

Hebrews 10:17

- Why would God place His law in the heart and then say He will never again remember a person's sins and iniquities?
- Do you believe that God can forever forget that you were once guilty of sin?
- Can God forgive to the degree that He will never remember you as a sinner? (Review vs. 14.)

Hebrews 10:18

- What is remission in the context of verses 12-18?
- If God can (in His sight and knowledge) complete a person's perfection by one sacrifice, would there be a need for another sacrifice?
