

### **Hebrews 10:1**

- What was the purpose of the law according to this verse?
- What could it not accomplish?

### **Hebrews 10:2**

- If the sacrificial system of the Old Testament could have finished or completed the process of bringing a believer into a state of spiritual perfection, would we still be sacrificing animals?
- Is God's purpose for a sacrifice for sins to complete process that brings a person into an eternal state of perfection?
- How many times must a person be purged in order for God to begin the process of purification? (See 2 Cor. 5:17.)

### **Hebrews 10:3**

- What did the old sacrificial system do that is completely opposite to the New Testament sacrifice?
- How could a sacrifice remind people of their sins?

### **Hebrews 10:4**

- Maybe this verse could very well answer the questions in verse 3.
- What is not possible in this verse and why?
