

Hebrews 4:3

- What is the means of a person being confident of entering into the rest of God?
- What is the condition that God requires of a person to enter into His rest?
- When did God rest, before He finished His work or after?
- If God rested from His work and we can enter into His rest, is this where we enter into His presence?
- Do you remember in verse 2 what the two elements God supplied man that allows man to enter into God's rest?

Hebrews 4:4

- What is the importance of the seventh day in God's process of creation?
- What did God want man to know about this day?
- What did God do on the seventh day of creation?
- Did mankind need anything more for his life than what God created in the work of the first six days?
- Does God do all the work and then bring us forth to enter into the work He finished?

Hebrews 4:5

- Why do you think God says the same things over and over to man?
- Is God concerned that some may not enter into His rest?
- Do you know the conditions of entering into His work?
