

Hebrews 7:2

- What did Abraham do in response to Melchisedec?
- What do you think Melchisedec's person and position had to do with Abraham's response?
- What does it mean to be the King of Righteousness?
- If the interpretation of King of Salem is King of Peace, then what does it mean to be the King of Peace?

Hebrews 7:3

- Concerning Melchisedec, what does it mean to be without father, mother, and descent?
- What does it mean having neither beginning of days, nor end of life?
- How does all this apply to Jesus Christ since Melchisedec is the example set forth for the priesthood of Jesus?
- Don't you think it's quite interesting that the priesthood Melchisedec was a pattern of, was an example of the Son of God who is priest forever before Melchisedec ever existed? Now who followed whose pattern?
